NOTIFICATION OF ERROR IN INVENTOR NAME

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

There is an error in the typed name of inventor Tat Ming Teo on the signed declaration filed herewith in this continuation patent application. This declaration was also filed in parent Application Nos. 10/330,462 and 09/939,403. The fifth inventor's name on the declaration is incorrectly typed as Tat T. Ming due to a transliteration error.

Tat Ming Teo is a Singapore inventor. In transliterating a foreign language name into an English language equivalent, Applicant's attorney erroneously transliterated the inventor's last name into a middle initial and a part of the given name into the family name.

Tat Ming Teo is a proper inventor and signed the declaration filed in this continuation patent application. He is included as a joint inventor. Thus, there is no need to add or delete an inventor under 37 CFR 1.48. "A request under 37 CFR 1.48 will not be required: ... (B) Where a typographical or transliteration error in the spelling of an inventor's name is discovered, the

Office should simply be notified of the error. A new oath or declaration is not required. Reference to the Notification will be made on the previously filed oath or declaration.” [MPEP § 201.03; 8th Edition, Rev. 1, Feb. 2003, pages 200-4 to 200-5, see also (E)].

Procedurally in the US Patent and Trademark Office, “[w]hen the Office is notified of a typographical or transliteration error in the spelling of an inventor’s name, ... the change should be noted in red ink in the left margin of the original oath or declaration. The notation should read ‘See Paper No. ____ for inventorship changes.’” [MPEP § 605.04(g); Original 8th Edition, Aug. 2001, page 600-47].

Should the inventor’s name appear in error on the filing receipt, Applicant will make a request to correct the inventor’s name thereon.

The U.S. Patent and Trademark Office is hereby authorized in the connection with the filing of this notice to charge Deposit Account 02-2666 should there be any fee due. A duplicate fee transmittal is enclosed for this purpose. If any petition is required for the filing of this notice, it is hereby so petitioned, and should any petition fee or additional fee be required in connection with the filing of this notice, please also charge it to Deposit Account 02-2666.

If there are any questions, Applicant’s undersigned attorney may be reached by telephone at (714) 557-3800.

Respectfully submitted,

William E. Alford, Reg. No. 37,764
